

FOR IMMEDIATE RELEASE

Internet Connectivity Group, Inc. (I.C.G.) Named AlwaysOn Global 250 Winner

Company Selected as Technology Innovator in Wireless Digital Media for 2009

July 16, 2009 – Lake Forest, California – I.C.G. today announced that it has been selected to the 2009 AlwaysOn Global 250 List. The AlwaysOn Global 250 Award is given to private, emerging technology companies creating new business opportunities in high-growth markets. I.C.G. was selected by the AlwaysOn editorial team, with assistance from KPMG's emerging business practice (KPMG VC Practice), based on demonstration of growth, market opportunity, quality of innovation and customer traction.

"I.C.G. is excited to be acknowledged by AlwaysOn as one of the most innovative private companies in the world. It is great to see the I.C.G. team's vision and hard work pay-off with recognition from a well respected organization such as AlwaysOn." said Kevin Howard, CEO of I.C.G. **"As a revolutionary wireless infrastructure firm, one of our top priorities is to bring a form of standardization to the Digital Out-of- Home arena."**

I.C.G. and the other AlwaysOn Global 250 Winners will be recognized at the AlwaysOn & STVP Summit at Stanford, taking place at Stanford University in Palo Alto, CA, on July 28-30. This two-and-a-half day executive conference is co-presented by the Stanford Technology Ventures Program highlighting the significant economic, political and commercial trends affecting the global technology industries.

"It's no secret that technology and innovation are vital to bringing our country out of economic recession," said Tony Perkins, founder and editor of AlwaysOn. **"The companies on this year's list have not only created innovative technologies that solve real business problems, but have stimulated economic growth through the generation of new jobs. I congratulate every winner selected for this year's award and wish them all tremendous success in the future."**

The AlwaysOn Global 250 winners were selected from among hundreds of other technology companies nominated by investors, bankers, journalists and industry insiders. The AlwaysOn editorial team conducted a rigorous three-month selection process to finalize the 2009 list.

About AlwaysOn

ALWAYSON ignited the open-media revolution in early 2003 by being the first media brand to launch a global blog network. In 2004, ALWAYSON continued to lead the media industry in innovation by introducing a social network where members can connect and engage. ALWAYSON is also revolutionizing the media business by applying its open-media principles to its executive event series (Summit at Stanford, OnMedia, OnHollywood, OnDC, GoingGreen East and West, Venture Summit East and West) and quarterly print "blogozine" by empowering its members to post and share their ideas and meet each other online. As our loyal readers know, ALWAYSON is committed to the free-market, merit-driven approach to reporting and event programming. No other media brand has dared to create such open interaction with its readers and event participants.

About I.C.G.

I.C.G. was formed in 2004 to create and provide wireless solutions to the enterprise marketplace.
